Goal #1: Ensure Robust Broadband Infrastructure to All Hawaii Residents

- Priority 1
- Priority 2
- Priority 3
- Priority 4

Advance policies, programs and initiatives…
Foster public/private partnerships to develop br…
Increase transpacific submarine fiber connectivity
Secure broadband acc…

Goal #2: Expand Digital Inclusion and Adoption to Achieve Digital Equity
Goal #3: Enable Hawaii to Thrive through a Digital Economy

- Empower DBEDT’s Broadband and Digital Equity Office
- Leverage and bolster the ecosystem of broadband resources to support economic growth
- Improve delivery of government services through the use of broadband technology

Goal #4: Strengthen Community Resiliency through Broadband

- Interconnect the functions and operations of public, private, and community networks
- Maximize open access and ensure timely connectivity to critical network infrastructure during crises
Lastly, if you were to select 3 objectives, regardless of goal category, what would your 3 choices be?
